

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF SOUTH CENTRAL	)	
BELL TELEPHONE COMPANY REGARDING	)	CASE NO. 95-285
IMPLEMENTATION OF INTRALATA 1+	)	
PRESUBSCRIPTION	)	

O R D E R

On June 2, 1995, South Central Bell Telephone Company ("SCB") filed tariff revisions to the Non-Traffic Sensitive Revenue Requirement and IntraLATA Equal Access Cost Recovery Tariff, to recover the costs of 1+ IntraLATA Presubscription in compliance with the Kentucky Public Service Commission Order dated December 29, 1994, in Administrative Case 323, Phase I.

AT&T, Sprint Communications Company, and MCI Telecommunications Corporation have filed separate motions for full intervention in this proceeding. The intervenors indicate an objection to that part of SCB's filing whereby the interLATA presubscribed carrier for public and semi-public pay telephones is determined by the owner of the pay phone. Currently, the interLATA presubscribed carrier for public and semi-public pay telephones is determined by the owner of the premises where the phones are located.

The Commission finds that further proceedings are necessary in order to determine the reasonableness of the tariff filing.

IT IS THEREFORE ORDERED that:

1. This case is opened for additional review and investigation into the issues raised in the motions for intervention filed by AT&T, Sprint Communications Company, and MCI Telecommunications Corporation. The motions for intervention are granted.

2. The proposed tariff is hereby accepted as filed subject to further findings of this Commission, effective July 1, 1995.

Done at Frankfort, Kentucky, this 30th day of June, 1995.
